North Carolina Department of Transportation
State Infrastructure Bank
Period Ending July 31, 2023

The State Infrastructure Bank (SIB) is an investment fund that offers loans and other types of financial assistance to transportation facilities and projects that will contribute to meeting the State's transportation goals. These facilities may include highway, rail, transit, intermodal, and other types. Borrowers include any public entity. Private companies and non-profit organizations are eligible but with some restrictions.

The SIB was established in July 1997 by G.S. 136-18 and received an initial infusion of equity capital in April 1998 from which the loans will be made. Repayments of principal and interest as well as other financial assistance will be used to replenish the fund. This secondary infusion of funds into the SIB creates a revolving loan fund and permits the SIB to become a self-sustaining financial institution.

The SIB program was created through the National Highway System legislation in 1995 and was authorized under Section 350 of the National Highway System Designation Act of 1995, Public Law 104-59, 23 U.S.C.G.S. 101 note. Each state DOT may capitalize their bank with up to 10% annually of their federal gas tax funds.

Exhibit C

The primary purpose of the U.S. Department of Justice and the U.S. Department of the Treasury Asset Forfeiture Program is to deter crime by depriving criminals of the profits and proceeds of their illegal activities and to weaken criminal enterprises by removing the instrumentalities of crime. An ancillary purpose of the program is to enhance cooperation among federal, state and local law enforcement agencies through the equitable sharing of Federal Forfeiture proceeds.

Any time the Division of Motor Vehicles License and Theft Bureau directly participates in an investigation or prosecution that results in a Federal Forfeiture, they may request an equitable share of the net proceeds of the forfeiture. This amount is determined as set forth in the U.S. Department of Justice and the U.S. Department of Treasury's publication "A Guide to Equitable Sharing of Federally Forfeited Property for State and Local Law Enforcement Agencies."

Exhibit D - DMV Property Tax Account

Signed into law on August 22, 2005, HB 1779 was created to combine Motor Vehicle Registration renewal and Property Tax Collections for the state of North Carolina. Referred to as “Tag and Tax” system, the legislation requires the Division of Motor Vehicles to collect property tax on vehicles at registration renewal annually. In FY 2014 the system was implemented and NCDMV began receiving, tracking and forwarding tax collections to each of North Carolina’s one hundred counties.
