

1 19A NCAC 02B .0156 is proposed for readoption without substantive changes as follows:

2
3 **19A NCAC 02B .0156 PAVING OF ROADWAY SURFACE CROSSING RAILROAD TRACKS**
4 When any road, street, or highway forming a link in the State highway system is being surfaced or resurfaced, the Department
5 shall, if in such instances requested to do so by the railroad, pave the roadway surface across the crossing, but the railroad
6 shall provide and place at its own expense, the necessary crossing ~~timbers~~ flange guards on rail guards and otherwise adjust its
7 facilities to meet the level of the finished road surface.

8
9 *History Note: Authority G.S. 136-18(5); 136-18(11); 136-20;*
10 *Eff. July 1, 1978;*
11 *Amended Eff. October 1, 1993.*
