Independent Accountant's Report on Applying Agreed-Upon Procedures

Board of Directors
North Carolina Turnpike Authority
Raleigh, North Carolina

We have performed the procedures described below, which were agreed to by the North Carolina Turnpike Authority ("NCTA" or the "Authority"), solely to assist you in evaluating the information provided by NCTA management used in the calculations with respect to the Rate Covenants ("Rate Covenants") as of June 30, 2020 in accordance with Section 704 of the Trust Agreement between the NCTA and Wells Fargo Bank, N.A. Authorizing and Securing NCTA Turnpike Revenue Bonds and Indebtedness ("Monroe Expressway System") dated December 1, 2016 (the "Trust Agreement"). NCTA's management is responsible for the fair presentation of the compliance with the Rate Covenants and the calculations used to determine compliance with the Rate Covenants.

The sufficiency of these procedures is solely the responsibility of the NCTA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The NCTA provided us with a schedule of information used in the Rate Covenants' calculations for the year ended June 30, 2020. As noted below, we compared the information in the Rate Covenants' calculations to the information described.

Procedure Key:

- 1) Compared to a corresponding amount in the audited financial statements of the NCTA for the year ended June 30, 2020 and found such amounts to be in agreement after giving effect to rounding as applicable.
- 2) Compared to a corresponding amount in a schedule prepared by the NCTA or to the amount derived from the accounting records, which had been subjected to procedures performed in the course of conducting the annual audit of the financial statements of the NCTA for the year ended June 30, 2020 and found such amounts to be in agreement after giving effect to rounding as applicable.
- 3) Recomputed the amount, subtotal, and/or total and determined such amount to be mathematically accurate after giving effect to rounding as applicable.
- 4) Compared to a corresponding amount in a schedule prepared by the NCTA that was not subjected to procedures performed in the course of conducting the annual audit of the financial statements of the NCTA for the year ended June 30, 2020 and found such amounts to be in agreement after giving effect to rounding as applicable.

Procedures:

Subsections to Section 704 of the Trust Agreement Rate Covenants and our procedures are presented below:

This engagement to apply agreed-upon procedures was performed in accordance with standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an audit or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the specified elements, accounts, or items. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the NCTA and other parties to the Trust Agreement, and is not intended to be, and should not be, used by anyone other than those parties.
