3.1 Awardee must comply with all the time requirements described in this Agreement. In the performance of this Agreement, time is of the essence. If additional time is required to complete a Task, the Awardee must submit a request for a time extension, in writing, to NCDOT providing details as to why additional time is required. NCDOT reserves the right to ask for additional information and approve or deny time extensions at NCDOT's discretion.

4 Consideration and Reimbursement

4.1 Consideration. The State will reimburse for all services performed by Awardee under this Agreement as follows:

4.1.1 Reimbursement. Awardee will be reimbursed according to Exhibit C, Submitted Cost Proposal, and in alignment with the table below. If actual expenses are less than the costs included in Exhibit C, the Awardee will be reimbursed for no more than their Requested Reimbursement Percentage (%) of eligible costs for both capital and operations and maintenance (O&M) costs.

4.1.2 Total Obligation. The total obligation of the State for all capital reimbursements to Awardee under this Agreement will not exceed \$[] or [] percent of the total incurred eligible capital costs.

The total obligation of the State for all O&M reimbursements to Awardee under this Agreement will not exceed \$[] or [] percent of the total incurred eligible O&M costs.

4.1.3 Matching Funds. Awardee shall provide the Applicant Cost Share in Exhibit C, which shall be no less than 20 percent of the total Project Costs. Awardee is responsible for all costs that exceed the Total Obligation.

4.1.4 Eligible Costs. Awardees shall be reimbursed for Eligible Costs according to Exhibit C and are deemed eligible according to 23 CFR 680 and federal, state, and local laws.

4.1.5 Ineligible Costs. Awardee shall not be reimbursed for costs incurred prior to execution of this Agreement, costs deemed ineligible per 23 CFR 680; federal, state, or local laws; costs that exceed the Total Obligation; or costs incurred for work that does not meet the requirements of this Agreement at the sole discretion of NCDOT.

4.1.6 Withholding. NCDOT will withhold ~~40~~ 20 percent of the actual costs incurred for the Maximum Total Capital Reimbursement Amount due or \$200,000, whichever is less, as detailed in Exhibit C. Of this withholding, 20 percent will be released on an annual basis at the time of Annual O&M Payments, if all performance requirements and obligations of the Agreement are met.

4.1.7 Letter of Credit. Awardee shall provide a Letter of Credit in the amount of 60 percent of the Maximum Total Project Reimbursement, per the requirements of the Agreement. After each successful year of O&M, the total amount of the Letter of Credit can be reduced by 20 percent following notification from NCDOT. NCDOT reserves the right to determine if successful O&M has been met and has sole discretion to provide such notification.

4.1.8 Performance Deductions. If Awardee does not meet the required 97 percent uptime per this Agreement, the following performance deductions will be subtracted from that year's O&M payment: \$1,000 will be deducted for every percentage point, or fraction thereof, that the 97 percent uptime is not met on a per-port basis, per the NEVI Rule. If there is no remaining O&M payment for the deduction to be subtracted from, the amount will be deducted from the remaining withholding. Once a Performance Deduction occurs, those funds cannot be recouped and are permanently subtracted from the Total Obligation.

4.1.9 Program Income. For the purposes of program income or revenue earned from the operation of an EVSE station, all revenues received from operation of the EVSE facility shall only be used for:

- (i) Debt service with respect to the EVSE station project, including funding of reasonable reserves and debt service on refinancing;
- (ii) A Reasonable Return on Investment of any private person financing the EVSE station project, as determined by the State or other direct recipient;
- (iii) Any costs necessary for the improvement and proper operation and maintenance of the EVSE station, including reconstruction, resurfacing, restoration, and rehabilitation;
- (iv) If the EVSE station is subject to a public-private partnership agreement, payments that the party holding the right to the revenues owes to the other party under the public-private partnership agreement; and
- (v) Any other purpose for which federal funds may be obligated under Title 23 USC.

4.1.10 Reasonable Return on Investment. Awardee shall not make more than a Reasonable Return on Investment on the charging station (Project). This applies only to income received from EV charging. Reasonable Return on Investment on the Project is determined by the State as no more than 25 percent annual profit. The Profit is calculated once at the end of the Project and does not extend beyond the life of the Agreement. Profit defined as the remainder of all revenue received from the operation of the EV charging and reimbursements from NCDOT (Total Revenue) after all eligible expenses, including reimbursable and non-reimbursable expenses, have been deducted.

$$\text{Profit \%} = \frac{(\text{Revenue from Operations} + \text{Reimbursements}) - \text{Eligible Expenses}}{\text{Eligible Expenses}} \times 100\%$$

Revenue: Revenue received from the operation of the Project and Reimbursements

Eligible Expense: Includes all reimbursed and non-reimbursed eligible expenses the Awardee has incurred over the life of the Agreement. This includes the Applicant Cost Share.

Any profit over 25 percent must be returned to NCDOT. This is capped at the Total Reimbursement amount. The Awardee shall provide a signed letter with the final invoice stating the amount of Profit earned. NCDOT may ask for the Awardee to provide documentation as to the amount of Profit earned.

4.2 Payment

- 4.2.1 Invoices.** Awardee will submit invoices for payment by [\[describe method\]](#). Exhibit H, which is attached and incorporated into this Agreement, is the form Awardee will use to submit invoices. The State's Authorized Representative, as named in this Agreement, will review each invoice against the approved Exhibit C, Cost Proposal; expenditures to-date, including proof of expenditures; and the required report before approving payment. NCDOT will promptly pay Awardee after Awardee presents an itemized invoice for the services performed and the State's Authorized Representative accepts the invoiced services. discovering the error. After NCDOT receives the corrected invoice, NCDOT will pay Awardee within 45 days of receipt of such invoice.

4.2.4 Prompt Payment to Subcontractors. Awardee shall comply with all federal and state prompt payment requirements, including the following:

4.2.4.1 Awardee shall pay each subcontractor promptly. Any delay or postponement of payment among the parties may take place only for good cause, with written notification to the subcontractor. A payment, excluding subcontractor retainage, to a subcontractor for satisfactory performance of the subcontractor's work shall be made by the Awardee no later than one of the following, as applicable:

- 7 calendar days after the Awardee receives payment for the subcontractor's work.
- 7 calendar days after the Awardee could have received payment for the subcontractor's work, if the reason for nonpayment is not the subcontractor's fault.

4.2.4.3 Subcontractor retainage shall be payable by the Awardee within 30 calendar days after satisfactory completion of the work by the subcontractor. Subcontractor's work is completed satisfactorily when all requirements called for in the subcontract have been accomplished and required documentation has been provided by the subcontractor. Non-bonded subcontractors may be required to submit proof of payment for all material bills and wages to the Awardee before the Awardee is required to pay the subcontractor retainage.

4.2.5 Unexpended Funds. Any funds that remain at the end of the Project shall revert to NCDOT's NEVI Formula Funding Program.

4.2.6 Repayment of Funds. Awardee shall repay any and all funds received as a result of this Agreement in the event of default or unlawful use of funds. NCDOT may request for the repayment of funds from the Awardee, or NCDOT may make a claim against the Letter of Credit provided to the Department, at the Department's sole discretion.

4.2.7 Repayment of Funds. With regard to any disputed claim by Awardee against NCDOT, Awardee shall comply with the Division 1 provisions of the [*NCDOT 2024 Standard Specifications for Roads and Structures*](#).

4.2.8 Closeout. Awardee shall submit all required reports, documents, and invoices per Exhibit E before final payment will be made by the State and the Project will be closed out.

4.3 Contracting Requirements. All contracts, subcontracts, and agreements between Awardee and third parties must contain all applicable provisions of this Agreement, and copies shall be provided to NCDOT within 30 days of execution of said contracts, subcontracts, and agreements. Except for the furnishing and transportation of materials, no portion of a contract let through NCDOT shall be sublet, assigned, or otherwise disposed of except with NCDOT's written authorization. Where a subcontract has been authorized, the subcontractor shall be responsible to complete that portion of the contract with its own organization. On contracts involving federal aid, the agreement between the Awardee and subcontractor shall be in writing, and Form FHWA 1273 and the most recent North Carolina predetermined wage rates shall be physically attached to each such agreement.

4.4 Conditions of Payment. All services provided by Awardee under this Agreement must be performed to NCDOT's satisfaction, as determined at the sole discretion of the State's Authorized Representative and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations. Awardee will not receive payment for work NCDOT finds to be unsatisfactory or performed in violation of federal, state, or local law.

[name, title, address, telephone number, email], or his/her successor. The State's Authorized Representative has the responsibility to monitor Awardee's performance and the authority to accept the services provided under this Agreement. If the services are satisfactory, the State's Authorized Representative will certify acceptance on each invoice submitted for payment.

5.2 Awardee's Authorized Representative is:

6 Assignment Amendments, Waiver, and Agreement Complete

6.1 Assignment. Awardee may neither assign nor transfer any rights or obligations under this Agreement without the prior written consent of NCDOT and a fully executed Assignment Agreement, executed and approved by the same parties who executed and approved this Agreement, or their successors in office.

6.2 Amendments. Any amendments to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original Agreement, or their successors in office.

6.3 Waiver. If NCDOT fails to enforce any provision of this Agreement, that failure does not waive the provision or NCDOT's right to subsequently enforce it.

6.4 Agreement Complete. This Agreement contains all negotiations and agreements between NCDOT and Awardee. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6.5 Electronic Records and Signatures. The parties agree to contract by electronic means. This includes using electronic signatures and converting original documents to electronic records.

6.6 Certification. By signing this Agreement, the Awardee certifies that it is not suspended or debarred from receiving federal or state awards.

7 Build America, Buy America (BABA)

7.1 BABA Certification. All manufactured products and construction materials permanently incorporated into any project must meet requirements of the Build America, Buy America (BABA) Act of the Infrastructure Investment and Jobs Act (IIJA). Before any material or product is included for payment on a reimbursement request, the Awardee shall furnish NCDOT with a notarized certification certifying that the items conform to the BABA Act. The Awardee and all affected subcontractors shall maintain a separate file for BABA items so that verification of the Awardee's efforts to purchase items produced in the United States can readily be verified by an authorized representative of the Department or the Federal Highway Administration (FHWA).

8 Indemnification, Liability, and Insurance

8.1 Indemnification. Awardee shall defend, indemnify, and hold harmless the State of North Carolina, the Department, and its officers and employees from and against any and all losses, claims or causes of action, including attorney's fees, accruing or resulting from any and all claims by subcontractors, laborers, and any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all losses, claims or causes of action, including attorney's fees, accruing or resulting to any person, firm, or corporation who may be injured or damaged by the Awardee or Awardee's agents or employees in the

performance of this Agreement, including the operation of the EVSE station contemplated herein. This clause will not be construed to bar any legal remedies Awardee may have for NCDOT's failure to fulfill its obligations under this Agreement.

8.2 Insurance. The Awardee shall be liable for any losses resulting from a breach of the terms of this Agreement. The Awardee shall be liable for any losses due to the negligence or willful misconduct of its agents, assigns, and employees including any subcontractors which causes damage to others for which the Department is found liable under the Torts Claims Act, or in the General Courts of Justice, provided the Department provides prompt notice to the Awardee and that the Awardee has an opportunity to defend against such claims. The Awardee shall not be responsible for punitive damages.

The Awardee shall, at its sole cost and expense, obtain and furnish to the Department an original standard Association for Cooperative Operations Research and Development (ACORD) certificate of liability insurance evidencing commercial general liability with a limit for bodily injury and property damage in the amount of \$5,000,000 per occurrence and \$5,000,000 general aggregate, covering the Awardee from claims or damages for bodily injury, personal injury, or for property damages that may arise from operating under the Agreement by the employees and agents of the Awardee. The required limit of insurance may be obtained by a single general liability policy or the combination of a general liability and excess liability or umbrella policy. The State of North Carolina shall be named as an additional insured on this commercial general liability policy. The policy may contain the following language as relates to the State as an additional insured: "This insurance with respect to the additional insured applies only to the extent that the additional insured is held liable for your or your agent's acts or omissions arising out of and in the course of operations performed for the additional insured."

The Awardee shall maintain all legally required insurance coverage, including without limitation, worker's compensation and vehicle liability, in the amounts required by law. Prior to beginning services, Awardee and all subcontractors shall provide proof of coverage issued by a workers' compensation insurance carrier, or a certificate of compliance issued by the Department of Insurance for self-insured subcontractors, irrespective of whether having regularly in service fewer than three employees. Providing and maintaining adequate insurance coverage is a material obligation of the Awardee and is of the essence of this Agreement. All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in North Carolina. The Awardee shall at all times comply with the terms of such insurance policies.

Upon execution of the Agreement, provide evidence of the above insurance requirements to the engineer. When required by the Agreement, the Awardee shall carry insurance of the kinds and in the amounts specified therein in addition to any other forms of insurance or bonds required under the terms of the Agreement, or any other insurance carried by the Awardee.

Awardee shall not impose a charge for audit or examination of the Awardee's information and facilities.

Violations of properly promulgated laws, rules, regulations, and ordinances reported to the State's Authorized Representative by responsible agencies may result in the issuance of a suspension order until such time as the violation is corrected.

11 Workers Compensation. The Awardee's employees and agents will not be considered State employees. Any claims that may arise on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way NCDOT's obligation or responsibility.

12 Publicity and Endorsement

12.1 Publicity. Awardee shall notify NCDOT of any publicity regarding the subject matter of this Agreement and allow NCDOT to determine if it wants to be identified as the sponsoring agency and must not be released without prior written approval from the State's Authorized Representative. 13.3 Notices to NCDOT. In the event the Awardee becomes aware of any material alteration in the Project, initiation of any investigation or proceeding involving the Project, or any other similar occurrence, the Awardee shall notify NCDOT promptly.

14 Default

14.1 Events of Default. The following shall constitute Events of Default under this Agreement:

14.1.1 **Material Misrepresentation.** If at any time any representation, warranty, or statement made or furnished to NCDOT by, or on behalf of, the Awardee in connection with this Agreement or to induce NCDOT to make an award to the Awardee shall be determined by NCDOT to be incorrect, false, misleading or erroneous in any material respect when made or furnished and shall not have been remedied to NCDOT's satisfaction within 30 days after written notice by NCDOT is given to the Awardee.

14.1.2 **Noncompliance.** If there is a failure by the Awardee to comply with any of the covenants, terms, or conditions contained in this Agreement.

14.1.3 **Misspending.** If the Awardee expends grant proceeds for purposes not described in the Proposal, this Agreement, or as authorized by NCDOT.

14.1.4 **Lack of Capacity.** If the Awardee demonstrates a lack of capacity to carry out the approved activities and services in a timely manner and with the funds awarded, at the sole discretion of NCDOT.

14.1.5 **Abandonment.** If the Awardee abandons any activities or services assisted under this Agreement.

14.1.6 **Failure to Comply with Laws.** If the Awardee has failed to verify compliance with any state or federal laws, rules, regulations, guidance, or orders.

14.2 Notice of Default. NCDOT shall issue a written notice of default providing therein a 15-day period in which the Awardee shall have an opportunity to cure, provided that cure is possible and feasible.

14.3 Opportunity to Cure. Upon written notice of default, the Awardee has 5 days to provide NCDOT with a remediation plan to cure the default. NCDOT will review and approve or deny the remediation plan within 5 days. If approved, the Awardee will have 20 days to cure the default according to the approved remediation plan. If the remediation plan is not approved, Awardee has 2 days to revise the remediation plan and resubmit to NCDOT. NCDOT will review and approve or deny the remediation plan within 5 days. If the remediation plan cannot be approved by NCDOT at this time, NCDOT maintains the right to proceed with Remedies upon Default, Suspension, or Termination.

14.4 Remedies upon Default. If the default remains after the opportunity to cure, NCDOT shall have the right, in addition to any rights and remedies available by law, to do one or more of the following:

14.4.1 **Reduce Payment.** Reduce the level of funds the Awardee would otherwise be entitled to receive under this Agreement,

14.4.2 **Repayment.** Require immediate repayment of up to the full amount of funds disbursed to the Awardee under this Agreement, including making a claim against the Letter of Credit provided to the Department, up to the full amount of the Letter of Credit. NCDOT shall have sole discretion to determine the amount of the claim.

14.4.3 **Conditional Payments.** Refuse or condition any future disbursements upon conditions specified in writing by NCDOT.

15 Termination; Suspension

15.1 Termination by the State. NCDOT may terminate this Agreement at any time, with or without cause, upon written notice to the Awardee. Upon termination, the Awardee will be entitled to payment, determined on a pro rata basis, for services performed satisfactorily.

15.2 Termination for Cause. NCDOT may immediately terminate this Agreement if NCDOT finds there has been a failure to comply with the provisions of this Agreement, that reasonable progress has not been made, that fraudulent or wasteful activity has occurred, that Awardee has been convicted of a criminal offense relating to a state agreement, or that the purposes for which the funds were awarded have not been or will not be fulfilled. NCDOT may take action to protect the interests of the state of North Carolina, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

15.3 Procedures upon Termination.

15.3.1 **Notice.** NCDOT shall provide written notice to the Awardee of the decision to terminate, the reason(s) for the termination, and the effective date of the termination. If there is a partial termination due to a reduction in funding, the notice will set forth the change in funding and the changes in the approved budget. The Awardee shall not incur new obligations beyond the effective date and shall cancel as many outstanding obligations as possible. NCDOT's share of non-cancellable obligations, which NCDOT determines were incurred properly prior to notice of cancellation, will be allowable costs, subject to this Agreement.

15.3.2 **Rights in Products.** All finished and unfinished documents, data, reports, or other material prepared by the Awardee under this Agreement shall, at NCDOT's option, become the property of NCDOT.

15.3.3 **Return of Funds.** Any costs paid previously by NCDOT, which are subsequently determined to be unallowable through audit, monitoring, or closeout procedures, shall be returned to NCDOT within 30 days of the disallowance.

16 Fund Use Prohibited. Awardee will not use any funds received pursuant to this Agreement to compensate, either directly or indirectly, any contractor, corporation, partnership, or business, however organized, that is disqualified or debarred from entering into or receiving a State contract. This restriction applies regardless of whether the disqualified or debarred party acts in the capacity of a general contractor, a subcontractor, or as an equipment or material supplier. This restriction does not prevent the Awardee from using these funds to pay any party who might be disqualified or debarred after the Awardee's contract award on this Project.

17 Limitation. Under this Agreement, NCDOT is only responsible for receiving and disbursing funds. Nothing in this Agreement will be construed to make NCDOT a principal, co-principal, partner, or joint venturer with respect to the Project(s) covered herein. NCDOT may provide technical advice and assistance as requested by the Awardee; however, the Awardee will remain responsible for providing direction to its contractors and consultants and for administering its contracts with such entities. Awardee's consultants and contractors are not intended to be third party beneficiaries of this Agreement.
